Terms and conditions of the electric bicycle promotion

Informative translation. In case of discrepancy, the Dutch version prevails.

A This promotion is valid from 1 July 2026, may be cancelled at any time without prior notice and remains valid for every customer of **Belinus Energy BV** until 14 days after signing a purchase or service order, as long as the promotion remains published on the website **www.belinus.com**, and only when 50 customers have been collected within 30 days after cancellation of the campaign following the last prize draw.

B To give all customers a proportional chance, **Belinus Energy BV** applies the following formula:

> Customer contract value = **X**
>
> **`X / 6000 = Y`**

Y equals the number of prize vouchers. The more prize vouchers, the greater the chance of winning the prize. If a friend is referred, the same formula also applies to the person who refers, only if the referred friend has placed an order.

C **Belinus Energy BV** will accumulate 50 confirmed orders and draw a prize using the formula described to reward one of the customers.

D A confirmed order is an order that is legally binding, with no possibility of cancellation by the customer.

E If **Belinus Energy BV** withdraws the promotion, the right to offer another prize lapses if the total number of signed customers does not reach 50 within 30 days of the withdrawal of the promotion. This right creates no obligation.

F Only applicable to private individuals residing in Belgium.

G The brand and model of the e-bike may differ from the description in the promotion, but will at all times represent a consumer value of between EUR 3,000 and 3,500.

H The e-bike may be delivered before or after delivery of the solar energy system ordered by the customer, at the latest 60 days after delivery of the solar energy system.

I If the brand and model of e-bike is not available, **Belinus Energy BV** reserves the right to provide another gift of equal value.

J In the event of a dispute, these terms and conditions are governed by Belgian law and the courts of Hasselt.

K For participation in the prize draw, the customer accepts that **Belinus Energy BV** has the right to take photos and videos of the delivery of the bicycle for use in its marketing communication. The customer will give a testimonial about the delivered products and/or services, which may be used for marketing purposes and in the communication channels of **Belinus Energy BV** and its partners.
